

SUNDAY INDEPENDENT ARTICLE

Myself and business partner, Greg O'Gorman, were delighted to feature in the business section of the Sunday Independent on the 10th of November. Donal Lynch interviewed us, which gave us an excellent opportunity to discuss Derval.ie and the Digital Health Resource company and their journey over the last 12 months. It's been almost a year since the Derval.ie dream came to life, and it's a lot of work but I'm constantly working to make it better. I have so many exciting things coming up to end 2019 and start 2020 with and I can't wait for you all to see them. With three brands currently live for the DHR team, and more in the works, we are being kept busy. Onwards and upwards!
